

Information on Chemnitzpass and Chemnitzpass K

1 General Information, Eligibility Requirements, Validity, Sanctions

The **Chemnitzpass/Chemnitzpass K** - (K for *Kinder* (children) - is granted **on application**. In specific cases, it is possible for another person to apply after presenting a certificate of authorisation.

The **Chemnitzpass** may be granted to persons who are residents of the city of Chemnitz, have generally attained the age of 15, are not able to cover their own subsistence costs and therefore receive allowances for subsistence according to SGB II or according to the third or fourth chapter of SGB XII or according to § 39 SGB VIII in conjunction with §§ 91 ff. SGB VIII or children's allowance according to § 6 a German Federal Child Benefit Act (BKGG) or are beneficiaries according to the Asylum Seekers Benefits Act (*Asylbewerberleistungsgesetz*). Children in need of assistance under 15 years of age are granted a **Chemnitzpass K**. A child who is not a resident of Chemnitz and who receives the benefits listed above and has not yet attained the age of 18 may be granted a **Chemnitzpass K** if one natural parent fulfils the qualifications listed above for receiving a Chemnitzpass. Evidence must be presented that the child is a natural child (e.g. birth certificate, acknowledgement of paternity, joint custody declaration). Please note! A **photograph** is generally required when applying for the Chemnitzpass K. The **application must be submitted by the holder of rights of custody** (parent or guardian).

The Chemnitzpass/Chemnitzpass K **entitles the holder to reduced charges**, fees and fares for communal as well as other public services and offers in cases where this has been provided for by the applicable provisions. The type and extent of these discounts is based on the respective cost-base for the fees.

The **Chemnitzpass/Chemnitzpass K is valid** generally for six calendar months. It is possible to **apply for an extension** of the Chemnitzpass/Chemnitzpass K provided that the eligibility requirements as listed above are still fulfilled.

The Chemnitzpass/Chemnitzpass K is **not transferable to third parties** and is **not generally replaced in cases of loss**. In cases of **improper use of a Chemnitzpass/ Chemnitzpass K** (e.g. use by an unauthorised third party, etc.), the pass is declared invalid, and it is possible to be barred from being granted a new pass even if the other requirements have been fulfilled.
